SEPTEMBER 2010

SPRING 2011 SCHOLARSHIPS

The deadline for the Spring 2011 term is fast approaching! So, if you submitted an application, but did not receive a scholarship for the Fall 2010 term, please contact our office, in writing, to inform us whether or not you wish to have your application considered for the Spring 2011 term. If you do not send us written confirmation, then your application will be placed in the inactive files.

All applications that will be considered for the Spring 2011 term will require an Official transcript that shows grades for the previous term, and a Verification of Enrollment form (available on the tribal website) for the Spring term. Some applications will require additional documentation so be sure to contact one of us at the email listed below or the address or number listed to the left.

If you call, please leave a message because our phones do not have Caller ID. We administer multiple education

programs and tend to be very busy, so please be patient with us.

November 15, 2010 is the deadline for the Spring 2011 scholarship applications. Applications turned in after this date will not be considered for the Spring 2011 term.

The Caddo Nation Higher Education Program scholarships are available on a first come, first served basis **for completed applications**, which means that all requested documentation has been received by our office, not simply that your application pages have been turned in early.

REMEMBER: It is your responsibility to make sure that all documents needed to complete our application have been turned in to the Caddo Nation Education Department.

Also, there is a 10 term limit for funding, and scholarship amounts vary according to your unmet need.

– ATTENTION –

If you have family members or friends who are enrolled Caddo tribal members and are short-term students (1 year or less), or are considering taking short-term courses, please pass the following message:
